

Amendments to the Original Specification, Claims and Abstract:

Pursuant to 37 CFR 1.125, a Substitute Specification, Claims and Abstract is attached hereto in order to correct numerous translation and typographical errors in the previously filed English translation of International Application No. PCT/EP2004/B13355 filed November 25, 2004. In accordance with 37 CFR 1.125(c), both a clean copy of the Substitute Specification, Claims and Abstract, as well as a marked up copy of the previously submitted English translation are submitted herewith.

Pursuant to 37 CFR 1.125(b) and 37 CFR 1.495(f), a Verification of Translation and Statement Pursuant to 37 CFR 1.125(b) by Mr. Jeffrey Tekanic, a registered patent attorney, is also attached hereto for establishing that the amendments to the specification, claims and abstract introduced in the Substitute Specification, Claims and Abstract include no new matter.
